## LOS ALTOS HILLS TURNS FIFTY!

**T**he Town of Los Altos Hills was incorporated as a city on January 27, 1956, so the fiftieth anniversary of our Town is fast approaching! Various committees in Town are taking a variety of steps to recognize our anniversary — including a special event on the day of the anniversary, January 27, 2006, and other activities during the coming year.

The Community Relations Committee is organizing a "black tie optional" dinner dance gala at the Los Altos Country Club on Friday, January 27, 2006, commencing at 6 PM. Invitations will be sent to all residents in early January. Since the Country Club has limited capacity, residents who want to attend this special event are encouraged to send their reservations back immediately, as reservations are accepted in order of receipt. Tickets are \$95 each, and a check payable to "Town of Los Altos Hills" should be sent to Town Hall (26379 Fremont Rd., LAH) along with names as they should appear on name tags, address, telephone and e-mail contact information.

An Ad-Hoc Historical Committee is developing a museum-quality historical display, which will present the Town's History including a timeline of important dates, founders, reason for incorporation, first families, political issues, unique historical events, rural ambiance, and infrastructure issues. It will be located in the lobby of Town Hall for much of next year and will be on display at the dinner dance gala. The display will be accompanied by DVD video that can be played on command providing oral histories of the Town from existing tapes on file and a few new ones.

The Town Crier has graciously offered to publish a special fiftieth anniversary commemorative edition on January 25, 2006 including a 48-page history magazine insert, which will not contain any ads. The magazine will include articles written by Town residents to detail local history and Town heritage, formation of the Town, Town mayors and notables, education, lifestyles and other topics. The magazine will be donated by the Town Crier as a gift to our Town, and it is a publication you will want to save.

Town stationery used for correspondence and the Town Website will carry notice of the fiftieth anniversary. The information contained in the Historical Display will be placed on the website.

The Town Picnic next year, organized annually by the Community Relations Committee, will have an anniversary theme. All attendees will receive a favor in commemoration of the anniversary. The Town Picnic will be Sunday afternoon, June 4, 2006, so save the date and plan to attend to help continue the celebration of our Town's anniversary.

*Celebrating Our Past, Creating Our Future*
